

22 MARCH 2018**CIMIC'S LEIGHTON ASIA WINS A\$182M PHILIPPINES EXPRESSWAY PROJECT**

CIMIC Group company, Leighton Asia, has been selected by MPCALA Holdings Inc. to construct the Cavite Laguna Expressway project (Cavite section) in the Philippines.

Revenue to Leighton Asia, which is part of CIMIC Group construction company CPB Contractors, is approximately A\$182 million¹.

Construction is scheduled to commence in the second quarter of 2018 and be completed by 2020.

CIMIC Group Chief Executive Officer Michael Wright said: "CIMIC Group and Leighton Asia are committed to delivering high quality transport infrastructure solutions, and safer and more efficient traffic networks that support regional economies and better connect communities.

"We are pleased to contribute our major project experience and civil engineering capability to sustainably accommodate the future growth of the Cavite and Laguna regions."

CPB Contractors and Leighton Asia Managing Director Juan Santamaria said: "Our team's international expertise and local experience are delivering next-generation infrastructure and enhanced transport networks across the Philippines.

"We will continue to work with the client to achieve innovative and cost-effective solutions for this project."

Works consist of the construction of a 28km, four-lane expressway, including bridges, interchanges, toll plazas and ancillary facilities.

The Cavite and Laguna regions are the most industrialised and urbanised areas in the Philippines, housing diverse international and multi-national electronic, automotive and manufacturing companies.

On completion, the expressway will reduce travel times from Cavite to Laguna by approximately 45 minutes.
