

11 OCTOBER 2021**CIMIC'S UGL SECURES \$135M IN RESOURCES, UTILITIES CONTRACTS**

CIMIC Group's UGL has been awarded contracts in the resources and utilities sectors with a total revenue of \$135 million.

UGL will:

- provide maintenance, projects and turnaround services for existing client, Viva Energy, in Victoria over a two-year period; and
- design and construct two greenfield switching stations and construct approximately 65 kilometres of 330kV transmission line over 18 months for Powerlink, to connect the MacIntyre Precinct in South West Queensland to the transmission network.

CIMIC Group Executive Chairman and Chief Executive Officer Juan Santamaria said: "UGL has a national presence providing specialised engineering expertise to clients in the resources and utilities space. We're pleased to again work with Viva Energy and Powerlink to support critical infrastructure for communities around the country."

UGL Managing Director Doug Moss said: "UGL has a strong reputation in the resources and utilities industries, and these contract awards demonstrate our relationship with existing clients and the faith they put in us to deliver safe, quality and reliable outcomes for their businesses."

Both contracts are effective from October 2021.
