Turner Recognized by Forbes as One of America's Best Employers for Engineers

Forbes recognized Turner as the highest-ranked construction company and has placed the firm within the top 20 employers overall in each of the two years since the list was created.

December 11, 2025 – **Turner Construction Company** has been named by *Forbes* as [one of America's Best Employers for Engineers for 2026](#), earning the **#1 ranking in the construction industry** and a top-20 position in the United States. This marks the second straight year Turner has been honored since *Forbes* introduced the list in 2025.

“We are honored to be recognized once again by *Forbes* as a leading employer for engineers,” said **Abrar Sheriff, President, Turner Construction Company**. “Engineers are the driving force behind our ability to deliver innovative, technically sophisticated solutions on some of the most complex projects around the globe. Our engineers’ work strengthens the sustainability and resiliency of the communities and clients we serve. At Turner, engineers can grow, innovate, and **thrive** in an active caring environment while making a positive impact on society through the work we do every day.”

Turner offers engineers the chance to take on meaningful work across diverse markets ranging from healthcare and higher education to advanced technology and aviation. Our people thrive with access to structured learning, professional growth pathways, and cutting-edge artificial intelligence tools that elevate decision-making and project execution. Combined with a culture defined by inclusion and active caring, Turner provides an environment where

engineers can contribute, grow, and make a lasting difference. **Explore opportunities at www.turnerconstruction.com/careers.**

The *America's Best Employers for Engineers* list is based on an independent survey of more than 28,000 U.S. employees working for organizations with at least 1,000 people in their U.S. operations.

This recognition follows Turner's inclusion on several other *Forbes* lists, including [America's Dream Employers](#), [Outstanding Company Culture](#), [Best Employers for Women](#), [Best Employers for New Graduates](#), and [Best Large Employers](#), further underscoring the company's reputation as a great place to work.

###

About Turner Construction Company

Our vision is to be the highest value provider of construction services. We deliver our services on complex and challenging building projects of all types and sizes throughout North America and in 30 countries around the world. We seek to create a healthy, prosperous, and sustainable future for our people, clients, partners, and the planet. We have earned a reputation for integrity, working safely, and driving innovation. With a focus on creating an environment where people can be at their best, be authentic, and be treated with respect and dignity, the company is widely recognized as a great place to work. The firm is a subsidiary of HOCHTIEF, an engineering-led global infrastructure solutions provider with leading positions in North America, Australia and Europe and a rapidly expanding presence in high-tech, energy transition and sustainable infrastructure markets.
