

HOCHTIEF

Company profile

HOCHTIEF is an engineering-led global infrastructure solutions provider with leading positions in North America, Australia and Europe and a strong presence in the rapidly expanding strategic growth markets of data centers, energy transition and sustainable infrastructure markets.

With around 57,000 employees and a sales volume of EUR 33.3 billion in 2024, HOCHTIEF is the leading construction management and green building company in the U.S. (through Turner), the largest contractor in the Australian infrastructure services market (CIMIC), a key player in U.S. transportation infrastructure (FlatironDragados) and a renowned civil engineering and building construction company in Europe. The Group's PPP and infrastructure development activity is complemented by its 20% stake in the leading international toll road concessions operator Abertis.

Thanks to its long-standing commitment to sustainability, HOCHTIEF has been listed in the Dow Jones Sustainability Indices since 2006 and is committed to delivering on its ESG agenda including a net-zero target for 2045. Further information is available at www.hochtief.com.
