

The Top 250 Global Contractors

How to use the tables:

- Companies are ranked according to total construction revenue in 2019 in U.S. \$ millions.
- Figures include prime contracts, shares of joint ventures, subcontracts, design-construct contracts and construction management-at-risk contracts when a firm's risks are similar to those of a general contractor.
- Figures also include the value of installed equipment when a firm has prime responsibility for specifying and procuring it within the scope of a construction contract.
 - **: Firms not ranked last year
 - NA: Not available
 - †: Includes revenue of subsidiaries, names available through www.enr.com
